

## UPGRADE YOUR WOOD STOVE OR FIREPLACE

**Make the switch today!  
Funds are available!**

The Lassen County Air Pollution Control District's **Wood Stove Replacement Program** assists in replacing operable and older non-certified wood stoves with cleaner, more fuel-efficient wood heating devices or other less polluting heating appliances. Replacements that may qualify for rebates include: (1) Replacement of non-EPA certified and pre-1990 wood heating appliances or open hearth fireplaces with EPA certified appliances, and (2) Replacement of non-EPA certified and pre-1990 wood heating appliances with propane or natural gas appliance.

**\$1,500 REBATE per stove replaced per household**

### **Eligibility Criteria:**

- Applicant must be a full-time resident of Lassen County
- Applicant must own the residence and reside there, no rental properties will be allowed
- New equipment cannot be purchased prior to receiving application approval
- Proof of passing City or County building inspection for the stove installation is required. Installation by a licensed contractor is NO LONGER required.

*Applications are accepted on a first come first serve basis.*

*Submission of an application does not guarantee funding.*
